Peter Phippen is a Grammy Award Nominee, International Acoustic Music Awards Nominee, One World Music Awards Nominee and multiple Native American Music Awards Nominee. Phippen is a performing and recording

artist specializing in traditional flutes from around the world. Over the past three decades Phippen has researched the history and performance technique of flutes both ancient and modern.

In his approach to world flute performance, he is an experiential, natural folk musician with a penchant for creative and artistic musical improvisation. Phippen offers a captivating collage of sound images, covering the folklore and history of flutes from around the world and throughout time. Phippen performs an enchanting mix of the very old and very new in music. He has shared the stage with R. Carlos Nakai, Coyote Oldman, Xavier Quijas Yxayotl, and many more.

As a recording artist, Phippen has recorded four albums for Canyon Records. He has also recorded for Promotion Music Records and appeared on Curb Records, Lifescapes, Sounds True and Heart Dance Records.
